

# Frustrated with Faulty Surge Protection?

Don't take a risk with outdated MOVs!

## The Smart Choice is Intermatic

State-of-the-art TPMOVs® from Intermatic deliver durable, superior performance.

## TPMOV® Technology eliminates failure modes commonly associated with standard MOVs.

Intermatic understands that complex, expensive HVAC equipment deserves exceptional protection.

# Move Forward with a Safe Start

## AG3000 HVAC Surge Protection

- Installs in under 10 minutes
- Rugged, reliable, outdoor rated
- Status indicator for diagnostics

## CD1-024R All-In-One Power Protection Compressor Defender™

- Surge, brownout and short cycle protection
- Installs in less than 10 minutes
- Rugged, reliable, outdoor rated
- Status indicator for diagnostics
- Under voltage protection meets ANSI/AHRI
