ClenAir Mfg. Co.

ClenAir Odor Neutralizer Gel

ClenAir gel removes odors quickly and permanently even, those that have built up over time like plumbing odors, oil, fire or flood smells. Simply place the gel near the source of the odor or in the return air duct of the central air system. ClenAir is a professional product yet leaves no lingering antiseptic or perfume smell.

Selig Chemicals

Odor Zone

Dry deodorant absorbent for cleaning up unexpected accidents where wet mopping is inconvenient. The granules soak up liquid spills with rapid, blotting action, while a powerful deodorant neutralizes offensive odors. Especially effective for classrooms, hospitals, nursing homes, small animal clinics, and kennels. Provides excellent odor control for refuse and garbage containers. Safe for use on composition floors. Low order of toxicity. USDA applicable.
