JobSorb™

absorbent

**EPA
APPROVED!**

10x
more absorbent
than clay-based
absorbents!

SUPERIOR CLEAN-UP ON ANY OIL OR WATER-BASED LIQUID SPILL

- Absorbs immediately on contact
- Far less product needed to get the job done
- Saves up to 50% when compared with conventional absorbents
- Superior performance on polymers and tough spills
- Non-toxic, non-abrasive, non-leaching, non-carcinogenic
- Helps eliminate oil odors
- Minimize waste and disposal costs
- Landfill friendly
