Technical Specifications

- **Flange:** N/A
 - **Tank Capacity (gal):** N/A
 - **Number of Arms:**N/A
 - **Minimum Operating Capacity (gal) :**N/A
 - **Additional Options:** N/A
 - **Inlet Location:** N/A
 - **Maximum Working Pressure (psi):** N/A
 - **Maximum Pressure Differential (bar):** N/A
 - **Maximum Pressure Differential (psi):** N/A
 - **Minimum Operating Capacity (liter):** N/A
 - **Maximum Working Pressure (Bar):** N/A
 - **Tank Capacity (liter):** N/A
 - **Arm Length:** N/A
 - **Strainer Type:** N/A
 - **Equalizer Location:** N/A
 - **Equalizer Method:** N/A
 - **Drain Option:** N/A
 - **Type:** Oil Filter Element
 - **Model Number:** OFE-1 OIL FILTER ELEMENT
 - **Equalizer Location:** N/A
 - **Application:** Oil Management
 - **Inlet Location:** N/A
 - **Strainer Type:** N/A
 - **Product Type:** Oil Filter Element
 - **Additional Options:** N/A
 - **Minimum Operating Capacity:** N/A
 - **Maximum Operating Pressure:** N/A
 - **Tank Capacity:** N/A
 - **Maximum Pressure Differential:** N/A
 - **Drain Option:** N/A
 - **Flange Size :**N/A
 - **Number of Arms:** N/A
 - **Arm Length Type:** N/A
 - **Equalizer Connection Type:** N/A
-

Item Information

Sporlan's Oil Level Controls were developed to offer the refrigeration industry an oil level control system of the highest quality. The controls, when matched properly, maintain a minimum oil level in the compressor crankcase during all phases of system operation. Each product is factory tested to ensure trouble-free performance.

Markets:

- Food Retail Refrigeration
- Air Conditioning - Commercial

Features/Benefits:

- Externally adjustable oil level controls
- Oil Level Control – Suitable for up to 90 psi differential pressure, optional oil level equalization connection
- High performance oil filters
- Choice of settings on Pressure Differential Check Valve
- Externally adjustable Y1236-C allows for desired differential above suction pressure
- Oil Reservoirs, and OF Oil filters – UL Listed
- Oil Level Controls – UL Recognized
- Numerous adaptors available for various types of compressors

Applications:

- Air Conditioning – Commercial
- Refrigeration – Rack systems

For over 80 years the Sporlan Division of Parker Hannifin has set the industry standard for the development and manufacture of leading edge HVACR components. Our outside technical sales force and application engineering team focuses on refrigeration system applications and troubleshooting for service technicians, distribution channel partners, and original equipment manufacturers.
