

MOUNTING BRACKETS cont'd

Wall Bracket - Siding or Flat Wall

These hurricane rated wall brackets are strong, easy to install and are designed to be mounted into framing studs at 12" or 16" on center. These fit most mini-split models on the market today and provides the required distance between the wall and the condenser for optimal air flow. The QSWB2000 is rated for 300 lbs and the heavy duty QSWB4000 is rated for 600 lbs. Both models are also available in 316 stainless steel.
