

**Indirect Water Heater** 

# TOP PERFORMER PLUS

Hydrastone Lined Indirect Water Heater

## **FEATURES**

#### **Heavy Duty Construction**

- Hydrastone cement lining provides long tank life
- Plastic jacket will not rust, scratch or dent eliminating damage and is maintenance free
- No sacrificial anode rod required

#### **High Efficiency**

■ Industry's lowest standby heat loss reduces your operating costs

#### **Advanced Electronic Controller**

 Electronic thermostat provides accurate & reliable temperature control

#### **Comprehensive Warranty**

- Industry's First, 2/10 Limited Warranty
  Two year labor, ten year full tank replacement including coil
- Commercial 5 Year Limited Warranty

## **High Performance and High Efficiency**

The Vaughn Top Performer Plus Indirect Water Heater combines advanced engineering and Hydrastone cement lining to provide the industry's longest lasting and most reliable indirect water heater. The high efficiency design includes a factory installed and field removable all copper heat exchanger coil to provide maximum hot water output while significantly reducing mineral build up. The Vaughn industry leading technologies include an electronic thermostat with adjustable differential to ensure delivery of highly accurate and consistent hot water. The advanced tank design utilizes a Hydrastone cement lining for long life and is insulated with polyurethane foam for high efficiency and the lowest stand by heat loss rating in the industry. Time proven components, advanced engineering, long lasting tank and high efficiency design all make the Vaughn Top Performer Plus Indirect Water Heater the preferred choice for your water heating needs.

#### TANK SPECIFICATIONS

Model	Storage Capacity (Gallons)	Overall Dimensions (Inches)		Shipping	Domest	ic Water	Boiler Water	T&P
		Height	Diameter	Weight (Lbs)	Cold Water Inlet	Hot Water Outlet	Supply/Return (Heating Coil)	Relief Valve
S10TPP	10	20.25"	20"	90	3/4" MNPT	3/4" MNPT	3/4" MNPT	3/4" FNPT
S35TPP	35	39"	22¾"	185	3/4" MNPT	3/4" FNPT	3/4" MNPT	3/4" FNPT
S50TPP	50	40"	26"	238	3/4" MNPT	3/4" FNPT	3/4" MNPT	3/4" FNPT
S70TPP	70	46½"	28"	290	3/4" MNPT	3/4" FNPT	3/4" MNPT	3/4" FNPT
S70DTPP	70	46½"	28"	290	11/2" MNPT	1½" MNPT	1" MNPT	3/4" FNPT

**Note:** For  $\frac{3}{4}$ " outlet a brass Tee is supplied for T&P relief valve installation in the domestic hot water outlet connection. For  $\frac{1}{2}$ " outlet models the T&P relief valve installs directly in the tank.

#### PERFORMANCE SPECIFICATIONS

Model	First Hour Rating (GPH)		Boiler Output (6 GPM @ 200°F)	Boiler Water C	Standby Heat Loss	
	115°F	140°F	BTU/HR	Flow Rate (GPM)	Head Loss (ft. w.c.)	°F/HR
S10TPP*	270	200	140,000	6 GPM	7 ft. w.c.	0.96
S35TPP	300	230	150,000	6 GPM	7 ft. w.c.	0.72
S50TPP	320	250	150,000	6 GPM	7 ft. w.c.	0.56
S70TPP	340	270	150,000	6 GPM	7 ft. w.c.	0.45
S70DTPP	475	385	235,000	14 GPM	14 ft. w.c.	0.45

Note: \* Model S10TPP not yet AHRI certified.

#### First hour ratings based on:

- 50°F inlet water temperature
- 200°F boiler water supply to coil
- · Outputs may vary depending on boiler size, boiler water supply temperature, flow rate through coil and circumstances of installation and use.

## PERFORMER PLUS

### **OPTIONS**

- ☐ Alternate jacket color Blue ☐ or Red ☐ (specify color when ordering)
- ☐ Double wall heat exchanger
- ☐ Back-up electric heating element for supplemental heating (specify wattage and voltage)
- ☐ Optional Lifetime Limited Warranty

#### WARRANTY INFORMATION

- Industry's First, 2/10 Limited Warranty Two year labor, ten year full tank replacement including coil.
- Commercial 5 Year Limited Warranty
- Optional Lifetime Limited Warranty

A repair or replacement is provided (excluding labor and freight) if the tank or heat exchanger should leak for as long as the original purchaser owns the home.

### **About Vaughn**

Headquartered in Massachusetts since 1961, Vaughn Thermal Corporation is the leading manufacturer of cement lined water heaters. The company manufactures electric, hybrid, indirect and solar water heaters for residential and commercial applications and also manufactures digital energy controllers and electronic devices used by electric utilities for load controlling water heaters.

For more information, please visit us on the web at: www.vaughncorp.com

## **Vaughn Product Line**

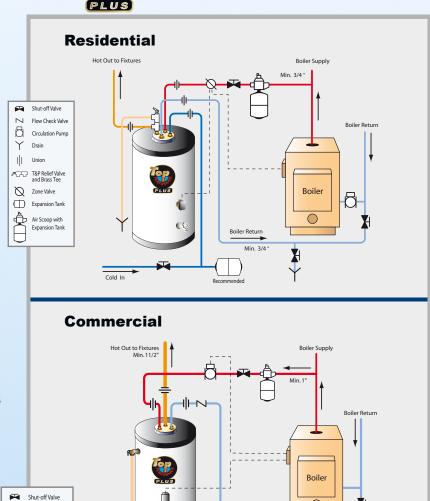

- · Residential Electric Water Heaters
- Residential Hybrid Heat Pump Water Heaters
- Commercial Electric Water Heaters
- Indirect Water Heaters
- Solar Water Heaters
- Range Boilers
- Storage Tanks
- Off Peak Timers
- Digital Energy Controllers
- Electronic Controls

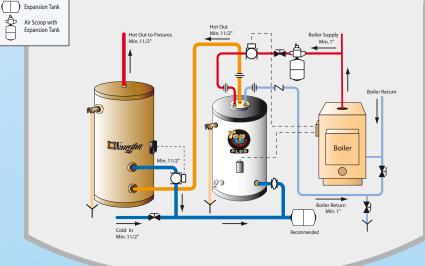

#### Committed to continuous improvement...

Continuing research results in product improvement; therefore specifications are subject to change without notice. For the most updated information, consult factory directly.
