

Residential & Light Commercial Refrigerant Scale

SRS1

Lightweight Refrigerant Scale

The SRS1 refrigerant scale is big enough to comfortably fit a canister, but compact and light weight enough to carry easily. It has the ruggedness needed for HVACR, with thick aluminum walls to maintain accuracy, and rubber feet and rubber pad to soften the impact of daily use.

- Charge/Recover weight alarms
- Light weight and easy to carry
- Max weight 110 lbs (50 kgs)
- 025 oz (001 kg) resolution
- Non-slip cushioned design
- Full numeric keypad for fast operation
- Strong magnetic back on handle

Wireless Refrigerant Scale

SRS3

Heavy Duty with Premium Performance

Not only is the wireless scale easy to use, it's so accurate it can sense weight as low as 0.25 oz. The remote display has a backlight and a strong magnetic hanger. The platform is made of solid aluminum with rubber corners to protect against the hazards of daily use.

- View and record refrigerant usage directly on new SMANs (models SM380V and SM480V)
- Connect to the Job Link® System mobile app
- Solid aluminum construction
- Rubber grip pad to hold refrigerant tanks
- Hands-free testing with magnetic hat
- Flat top bumpers for large tanks
- Water resistant IP55
- Measure up to 252 lb (114 kg)
- 200 hour platform battery life

Remote stores safely in platform

Included:

- Refrigerant platform
- Wireless remote display
- Nylon case with strap – ANC9
